

Uniglo Financial

To meet today's challenges, we've created a unique, more personal approach to global mobility solutions

- ✓ We seek to understand and consider the needs of the people & organisations we work with.
- ✓ We set ourselves high standards and do our best to meet them.
- ✓ We are reliable in delivering what we have agreed.
- ✓ We are transparent in all that we do.

Who are we?

We are an international payroll company offering a complete range of global mobility solutions including Accountancy, Payroll and work visa services for contractors.

Furthermore our affordable financial solutions will reduce the overhead costs of the organisations due to the elimination of hiring specialised accountants.

In addition our prompt and professional services results in companies outsourcing these services so that they are able to concentrate on their core activities.

Our Services

Work Permit Sponsorship

Our Agency services solutions consist of packaged components from a select few specialist local service providers within taxation and payment, immigration permissions, and local employment.

International Payroll

Our contracting services can assist you with e.g. the legal aspects of contract handling with the End Client, billing services as well as debt collection if required.

Contractors

We can provide contractors with legal, tax efficient, and compliant solutions in any country they are domiciled by utilising Uniglo Financial products.

Tax Planning

Let Uniglo tax planning experts help you minimise the taxes that you and/or your business have to pay each year through practical yet effective legal strategies.
